As manager of the HBS Tennessee office in Nashville Merle keeps the trains running on time and along with wearing her signature “green visor” she has been managing business affairs for the office since January of 1998.

Merle has decades-long experience as a bookkeeper and accountant for both nonprofit and private sector businesses. She earlier served in positions for the Tennessee Alcohol & Drug Association (TADA) for 12 years and before that for HCA Healthcare as an accounts payable clerk and a senior accounts payable representative. Merle is originally from Sussex, England, but now calls Nashville home.
