

NOEL TORPEY

PRINCIPAL

Missouri

Noel provides clients with a unique perspective of the legislative process, having previously served in the Missouri House of Representatives. He was honored to represent the residents of Independence in both the 52nd and 29th Districts, where he served as Chairman of the Small Business Committee and a special Medicaid Committee. During his time in office, Noel was known for his ability to work across the aisle to help improve the lives of his constituents and their families. The St. Louis Business Journal recognized Noel for his tireless work and commitment to getting the job done.

As a Principal in the HB Strategies Missouri office, Noel utilizes his strong policy background and ability to navigate the Missouri Capitol with effectiveness and credibility to advocate on behalf of client initiatives across various industries. He also brings valuable experience in board relations and statewide associations, notably through his work with the Missouri Cable Telecommunications Association (MCTA). In addition to his legislative service, Noel has led an energy advocacy organization and brings firsthand knowledge of the challenges facing the business community as a former small business owner.

He and his family have proudly called Independence home for more than 25 years. Noel earned his bachelor's in Social Science, with a concentration in Political Science, from Graceland University.
